AERODROME SAFEGUARDING CIRCULAR (ADSAC) 02 OF 2023

Subject: Revalidation of No Objection Certificate (NOC) for height clearances

1. Introduction

1.1. No Objection Certificate (NOC) for height clearance is issued by Airports Authority of India from nine offices located at Delhi, Kolkata, Mumbai, Chennai, Guwahati Hyderabad, Bengaluru, Ahmedabad and Nagpur airport as per the Govt. of India, Ministry of Civil Aviation Gazette Notification No. GSR 751 (E), dated 30th September 2015 as amended by GSR 770 (E), dated 17th December 2020, GSR 877(E) dated 06th December 2023 and any further amendments thereto.

2. Purpose

2.1 The purpose of this Aerodrome Safeguarding Circular (ADSAC) is to expedite the procedures for Revalidation of No Objection Certificate for height clearances.

3. Scope / Applicability

3.1. This ADSAC is applicable to those AAI personnel who are responsible for processing and issuance of NOC for height clearance.

3.2. This ADSAC is also applicable to all the personnel of Joint Venture Airports, Licensed State Government and Private Airports for which AAI issues NOC for height clearance.

4. How to Apply

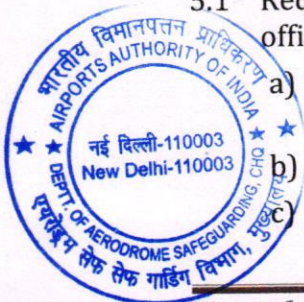

4.1. Applicant shall apply online for revalidation of NOCs at <https://nocas2.aai.aero/nocas/>.

4.2. In case of NOCs issued under SO 84(E) or in case of any technical issue due to NOCAS system limitations, the application for revalidation may be submitted offline at any of the nine AAI Offices located at Delhi, Mumbai, Kolkata, Chennai, Guwahati, Ahmedabad, Bengaluru, Hyderabad and Nagpur airport from where the NOC has been issued.

5. Documents to be submitted by the Applicant

5.1 Requests for revalidation shall be submitted online/at the concerned DoAS office from which the NOC was obtained along with the following documents:

- Request letter mentioning the duration of the revalidation required (for offline applications only).
- Copy of the NOC issued by the Designated officer of the DoAS Office.
- Undertaking-1C

6. Processing of Revalidation at DoAS Offices

- 6.1 The revalidation requests shall be processed by the concerned DoAS Office in accordance with the Rule 16 of GSR751 (E) dated 30th September 2015 as amended by Rule 9A of GSR770 (E) dated 17th December 2020 and GSR 877(E) dated 06th December 2023.
- 6.2 All documents submitted by the applicant, as mentioned in Para 5.1 shall be verified by the DoAS office. Application shall be processed only after verification of all documents.
- 6.3 Verification of documents shall be followed by physical verification of the site/buildings coordinates and height as per NOC, to be carried out by the Airport Operator (AO). In case the building is under construction or has already been completed then the top elevation of the building is to be verified to ensure that there is no violation. In case of any violation of coordinates and/or height of the building revalidation will not be considered.

7. Cancellation

- 7.1 This ADSAC cancels ADSAC 06 of 2021.

8. Validity

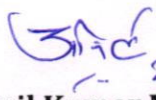

- 8.1 This ADSAC will remain valid till it is amended or withdrawn or incorporated in the proposed Aerodrome Safeguarding manual.

9. Effective date

- 9.1 This ADSAC will be effective from the date of issue.

10. Document Control and feedback

- 10.1. Any feedback, suggestion or error in this document may be brought to the notice of GM (DoAS) AAI CHQ at gmdoaschq@aai.aero.
